Parental Agreement for St. Aldhelm's Academy to administer prescribed medication.

Name of Student Date of Birth

Medical Condition/Illness

Medication:

Name/type of medication (as described on the container)

Dosage Frequency

Known fact on how the student is affected by his/her medical difficulty

.....

Equipment held in school e.g. inhaler

The above information is, to the best of my knowledge, accurate at the time of writing and I give consent for St. Aldhelm's Academy staff to administer prescribed medication in accordance with the school policy. I will inform the school immediately if there is any change in dosage or frequency of medication or if the medication is stopped.

The Student Medical Care Pathway will be reviewed in a timely fashion.

I understand and will ensure that all medication will be delivered to the school by an adult in the original container as dispensed by the pharmacy. Medication will be kept in a high security cabinet within the school.

I accept that the offering of medication to students in school is a service which the school is not obliged to undertake.
